

ALL FOR \$125 PER PERSON

The summer program is designed to introduce individuals ages 5 to 17 to the game of golf and develop fundamental skills that create a solid foundation and give every student the opportunity to enjoy the game for many years to come.

For the more advanced player, we are offering a "High School Varsity Program". This course is geared towards junior high and high school players who are interested in tournament or high school golf.

We have a professionally trained staff that is enthusiastic in promoting the enjoyment and involvement of the game of golf. During the program session, we cover all aspects of the game starting with safety and etiquette moving onto the introduction of putting, chipping, pitching, the full swing, and course management.

Our goal is to have every student leave the program with an appreciation of the game of golf and a deeper understanding of key character values like patience and sportsmanship.

Junior Summer Camp 2018

About Us

The Crossings Golf Club is a course designed by Joe Lee in the late 1970's. It is a place where course management and shot placement is vital to a great golf game.

We have one of the most utilized practice facilities in the Richmond area consisting of a 300 yard driving range, a putting green, and a chipping green; accompanied by a bunker.

Head Golf Professional, Adam Boucher, and The Crossings dedicated staff have a vast knowledge and golf experience. Our goal is to create a relaxing environment where players feel confident in learning the game.
